Suresh Babu, Professor, Department of Information Technology, Hindustan Institute of Technology and Science, reflected on Quality Education, Accreditation & Teacher development. Ms Mallini Premakumari, Assistant Professor, Department of Computer Science and Computer Application concluded the session. 100 Participants benefitted from this programme.

Some of the major problems currently faced by the higher education system in India include:

- limited access particularly in socio-economically disadvantaged areas, with few HEIs that teach in local languages
- limited teacher and institutional autonomy;
- inadequate mechanisms for merit-based career management and progression of faculty and institutional leaders;
